

Technical drawing of a SUS 304 stainless steel sanitary manhole. The drawing shows a side elevation and a cross-section. The side elevation includes dimensions for the manhole body (130mm width, 345mm height), the sanitary cover (19mm height), and the manhole opening (145mm height). The cross-section shows the internal structure, including the manhole body, the sanitary cover, and the manhole opening. The drawing is labeled 'SUS 304' and 'SUS 304'.
